

# Shared Ownership

Garden City Homes

**SHARED OWNERSHIP ALLOWS YOU TO BUY A SHARE IN A NEW HOME. THIS SHARE WILL RANGE FROM BETWEEN 10% TO 75%, DEPENDING ON WHAT YOU CAN AFFORD BASED ON AN AFFORDABILITY ASSESSMENT. YOU WILL PAY A REDUCED RENT ON THE REMAINING SHARE.**

This means that you need to get a smaller mortgage to buy the property, and will also need a smaller deposit.

You can buy more shares as and when you can afford them - this is called 'staircasing'. This development is being sold on the new shared ownership model, this allows you to purchase a 1% share each year for the first 15 years with no administration fees\*. As you buy more shares your rent will reduce accordingly. You can eventually own 100% of the property, at which point you will pay no rent at all.

You will also pay a service charge, which will include building insurance and a management charge. As a homeowner, you will be responsible for the repairs and maintenance in your home. On the new shared ownership model you will be able to claim up to £500 a year for the first 10 years to help with essential repairs\*.

\*Please refer to the Key Information about Shared Ownership for more information on the terms and conditions.
